Are you seeing
rate rises in the
property terrorism
market?

CFC is a specialist insurance provider
and a pioneer in emerging risk

Global reach

We serve more than 100,000 businesses in over 80 countries, and manage over \$500 million in premium

Cyber specialists

A pioneer in cyber insurance, we have the largest cyber underwriting team and the largest dedicated in-house cyber claims & incident response team in the world

Innovative products

We offer a wide variety of specialist insurance products purpose-built for today's risks, with everything you need in one policy.

Tech-enabled

We build our own technology to deliver products to market faster and ensure that we respond to 90% of enquiries in 24 hours or less

One team

We are headquartered in London with over 400 employees operating from our four offices around the world.

Market developments

CFC has been writing standalone Terrorism & Sabotage policies in the United States and around the world for nearly a decade and is one of the first insurance providers to offer Active Assailant coverage.

Terrorism or Active Assailant?

Insurance can play a role in mitigating the fallout from these malicious events. The two most common policies available for businesses are terrorism & sabotage insurance and active assailant insurance.
